Certification

AvidPack is a proud member of many international organizations for food safety and environmental protection. Our paper source is certified by the Programme for the Endorsement of Forest Certification (PEFC). PEFC is the largest forest certification system in the world that promotes sustainable forest management. All of the materials used and our products have passed the SGS test, which we perform every year, and all of our products are proudly made in Taiwan. Also, AvidPack manufactory has passed the ISO 2200 certification for food safety management.

Food Container Cups

Avidpack's paper soup cups are exceptionally sturdy.

Our wax-coated soup cups are the best choice for premium long-lasting soup containers.

Also, our unique design of diagonal adhesive junction has greatly reduced paper waste during the production, making our soup cups more eco-friendly. We offer a variety of soup cup sizes and we do customized printing.
